## KIPS COLLEGE PRE 1st Year

For those who want more tomorrow.

KIPS College Pre 1st Year Session ensures more time, more preparations and better results. It gives you an edge over your existing and future competition.

The Pre 1st Year Session helps you cover syllabus well in time. You know your destination and we are offering extra time and effort to achieve all what you have desired for sure. After all, an early start is a great start!

### Target Pre 1st Year - Get a Head Start

- Lead in the League with Pre 1st Year Session Pioneer
- Gain 04 additional months to prepare for your higher educational degree
- Complete 40% Course (all subjects) before Regular Session

The Pre 1st Year classes begin in the first week of May; gaining extra time for the demanding F.Sc/I.Com/I.C.S course completion. It gives students a sense of continued classes. Preparation, Practice & Evaluation Sessions gear up the students for outstanding results in Board Exams and eventually help them meet the well acknowledged professional universities' merit criteria.

### COMPREHENSIVE COMPLETION OF 1ST YEAR COMPLETE COURSE

1. The additional 04 month equip students to score higher marks in their Board Exams. This course plan starts 04 months prior to Regular First Year Classes.
2. Completion of 40% course (all subjects) in four months with higher focus on science subjects.
3. Proper fortnightly test schedule.
4. Students who continue with KIPS Colleges Regular Session (after Pre 1st Year), are assured complete first year's course completion by the month of December.
5. Revision & Test sessions start in January; offering more than 90 days for thorough revisions and board exams preparations.
